Consumer Notes:

Once again, it's an amazingly quiet month (which is a bit of a surprise for some of us here). Dragonball Z (which continues to do well in the marketplace) has two new volumes out this month. The Golden Boy series and the Tenchi Muyo TV series finish in January. We at Right Stuf are pleased that the Irresponsible Captain Tylor continues to be strong, and we're releasing the third volume in the series - 3 more episodes at a great price! Note that there are a number of CD-Rom repricings also in this list, making these items more affordable than ever! Finally, check out the new Sailor Moon CDROM game - fun for kids and adults alike.

If you require more information on any titles, or have any questions, please do not hesitate to contact us! We're here to help you!

JEFF'S PICK(S) OF THE MONTH

Again, it's tough for me to say the best thing that's out this month is one of our titles but I have to. Volume 3 of Irresponsible Captain Tylor is probably the thing to get, with the final volume of Tenchi Muyo TV and Dragonball Z being close seconds.
